M.S. Gill (Sports & Youth Welfare)

He has functioned in a very transparent manner and done a lot of good work for sportsmen. - Moraad Ali Khan, Arjuna awardee

When the Indian Olympic Association chief Suresh Kalmadi recently raved and ranted against M.S. Gill for limiting the tenures of sports body chiefs, he found few takers. After all, sports administration in India has been conducted as personal fiefdoms by politicians.

Gill wants to change that. He also wants to make sports compulsory in schools - a laudable idea. He has implemented a programme for creating sports infrastructure in rural areas, a project welcomed by everyone
